Dedication

Mr. Jandrositz, we the class of 1956, gratefully and sincerely dedicate this third edition of the Archive to you. In this small way we wish to thank you for your untiring efforts as our advisor, coach, and co-producer of our Junior Play. For these reasons and also because of your fatherly interest in everyone of us, we present this book to you.

We, the Senior Class of 1956, proudly and respectfully dedicate this third edition of the Archive to you, Mr. Hammes. We make this dedication for your guidance through the years of our high school life, for your time and effort in helping us produce the Junior Play, and for coaching many of our boys in sports.

Tribute

The Senior Class and especially the staff wish to express their sincere appreciation to Mr. Krammes and Mr. Maurer for all their time and effort, willingly given, to help us produce this third edition of the Archive.

Supervising Principal

TO THE MEMBERS OF THE SENIOR CIASS

You have completed your high school course, but not your education. Whether you accept employment in a factory or an office you will continue to learn. Those of you who enter college or some other school for specialized training will follow a more organized schedule for learning. Whatever type of work you engage in, problems arise that require a solution. Each should be analyzed, compared, and evaluated. This process stimulates your thinking, creates new ideas, and adds to the sum total of your education.

Welcome difficult tasks rather than only the easy ones and your education will continue regardless of your age.

May each of you have the desire, the will power, and the courage to solve all your problems as you meet them.

Accept my congratulations and best wishes.

Mr. Henry Wenger

Principal

TO THE MEMBERS OF THE CLASS OF 1956:

The time is almost here when you will don caps and gowns, and with a pleasant thrill of excitement and pardonable feeling of pride, march in the Commencement Procession and receive diplomas attesting your graduation from Northern Lebanon High School.

It will have cost the taxpayers of the state and, more particularly, of the local school districts in which you reside, approximately one hundred thousand dollars to bring you to this important moment.

Are your communities justified in this huge annual expense?

The answer to this question lies in the future and with you. If you can show the world that you are better men and women because you have received a high school education, no one will ever begrudge a cent of the money spent.

The increased generosity with which the public supports the schools would seem to indicate that graduating classes in the past have proved their worth. They have not disappointed the hopes of their parents and friends. And when I read over the roll of this class, stopping for a thoughtful moment at each name, I am convinced that the members of this class, too, will bring honor to the school and credit to themselves. If the other high schools of our country do as well, the future of America is secure.

Hockey Team

First Row, Left to Right: Helen Hughes, Elaine Barone, Carrie Gerhart, Myrtle Fake, Virginia Gerhart, Ilene Luch, Patricia Boger, Mary Emrich, Gloria Emrich, Catherine McGolrick, Mary Yeagley. *Second Row*: Miss Whitcraft, Coach; Doris Hopple, Kay Bender, Nancy Edris, Sandra Fittery, Ethel Kreiser, Lena Fake, Carol Bogner, Sandra Ditzler, Geraldine Edris, Manager. *Third Row*: Gloria Swanger, Barbara Bender, Nancy Hoke, Ruth Ann Soliday, Marilyn Boland, Deanna Wilson, Assistant.

Hockey has become a popular sport during the five years that it has been played at N. L. Under their able coach, Miss Whitcraft, the team tied Elco for second place in the County Hockey League; both teams having 14 points.

The squad, approximately twenty-eight girls, practiced hard after school, and was able to give the other teams good competition. We wish greater success to all future teams.

Varsity Dribblers

The basketball team had a bit of trouble breaking into the winner's column during their third season of Lebanon County League play. Mr. Jandrositz did a fine job of coaching, and the boys spent a great deal of time practicing but lacked the experience necessary to become winners. Although they did not have a winning season, they proved that basketball is improving and becoming more popular at N. L. H. S.

Basketball Lassies

The girls' basketball team did very well this year, winning seven of its ten games. The season started victoriously as the lassies downed Myerstown, the defending champions, 30 to 25. A loss followed when the girls journeyed to the Cornwall floor. On the home court the girls again got into the winner's column with a smashing victory over South Lebanon. Elco handed the girls their second defeat; but they came back to win the last game of the first half, 27 to 22, over Annville.

The second half was victorious with the exception of one defeat at Myerstown. The victories were over Cornwall, South Lebanon, Elco and Annville.

High scorer in the forward line-up was Carol Ogurcak, who scored 175 points in ten games.

The team, coached by Miss Marilyn Ott, had a successful year and finished the season in second place.

Jr. Varsity Basketball

The Junior Varsity team, also coached by Mr. Jandrositz, was composed of ten players. These fellows were very enthusiastic and were willing to work hard. They provided plenty of competition for the varsity during scrimmages and had fairly close scores in all of their games. We hope these boys will improve the status of Northern Lebanon in the County League in the next few years.

Jr. High Basketball

The Junior High Basketball Team participated in the County Junior High League for the 2nd year. The twelve boys on the squad, under the guidance of Mr. Schwang, showed plenty of fight and enthusiasm throughout the season.
